- Apply a small amount of Argan Lip Balm to the top and bottom lip.
- Rub balm into lips and remove any excess with a tissue.
- Conditions and hydrates lips for a smooth application.

- Outline the centre of the mouth on the upper and lower lips.
- Continue by drawing in from the corners of the lips toward the centre of the mouth.
- Finish by softening liner edges with finger to blend harsh edges.
- Defines lip shape and prevents lipstick from bleeding.

- Glide Silk Oil of Morocco's Argan Lipstick directly onto lips.
- Apply lipstick colour from the centre of the lip to the upper lip, moving outward toward each corner.
- Repeat for the bottom.
- Long wearing, smooth finish.

- Apply a small amount of Argan cream compact that is 2 shades lighter than your natural skin colour to a vegan lip brush.
- Using the vegan lip brush, apply the cream compact to the edges of the lipstick line to polish the shape of the lips.
- Sharpens and neatens the lip look for a professional finish.
